Call 1.800.256.4646 to activate your phone today.

¹ Video streams up to 480p. We may prioritize your data behind other customers during times/places of network congestion.

² Once high-speed data allowance is used, Always-on Data allows you to continue using data speeds limited to 128 Kbps at no additional charge for the rest of the month. Your data experience may be impacted and functionality of some data applications, such as streaming video or audio, may be impacted unless you purchase additional data.

³ With on-time payment, unused data will carry over to the next month up to your data plan allowance.

⁴ Not available on \$80 plan.

⁵ Visit vzw.com/prepaid for a list of international destinations.

⁶ Data plans are available for select tablets, hotspots and connected devices.

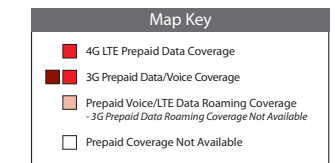

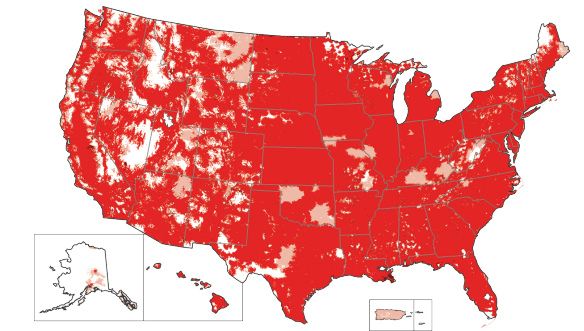

⁷ All data usage will be deducted from your allowance. Data rates may apply for app downloads and use. Data speeds are not altered.

⁸ Data charges apply when using Mobile Hotspot.

Up to \$35 activation fee, other charges and restrictions may apply. Payments to your account are subject to applicable taxes and E911 fees. Domestic Roaming is 20¢ per minute. Refill balances expire in 30–365 days, depending on amount purchased, unless you replenish.

All calling plans support Voice Mail, Calling Features and International Services. For additional details, visit vzw.com/prepaid

America's best network

Important map information:

This map does not guarantee coverage. This map depicts predicted and approximate wireless coverage, and may contain areas with limited or no service. Even within a coverage area, many factors, including network capacity, your device, terrain, proximity to buildings, foliage and weather, may affect availability and quality of service. The coverage areas may include networks run by other carriers; some of the coverage depicted is based on their information and public sources and we cannot guarantee its accuracy. See vzw.com/CoverageLocator for additional information.

When using 4G devices, 4G speeds will be available until you expire your high-speed data within 4G coverage. When traveling in the 3G Coverage Area, you can expect download speeds of 600 Kbps–1.4 Mbps and upload speeds of 500–800 Kbps.

Verizon Wireless Prepaid Plans information

Plan calls rated at a per-minute rate and other charges for available Prepaid Plans services may deplete balance prior to its expiration. All Messaging Rates are per message sent (per recipient) or received from within the US to the US, Canada, Mexico and Puerto Rico. Domestic Long Distance included. If you are on a Prepaid Monthly Plan, you must have sufficient account balance at time of renewal to cover the Monthly Plan fee in order to receive the plan benefits. Monthly Plan fee will be charged on the same date each month, unless you have insufficient funds to cover the Monthly Plan fee. Once activated, account balance will expire based on initial payment or in 60 days, whichever is longer. Your account balance will expire at 12:01 AM on the day stated at the time of replenishment. To carry your balance forward, simply refill your account before your expiration date. If balance expires, unused portion will be forfeited. Subject to Verizon Wireless Customer Agreement and Verizon Wireless Prepaid Plan; see Activation and Service Guide brochure for both. Limit of one Calling Plan change in a 30-day period. Other charges and restrictions apply. Usage rounded to next full minute. Offers and coverage not available everywhere.
